

## Brian Chinnock, MD

### Interests / Professional activities:

- ED coding and reimbursement, ED Ultrasound
- Research: ascites patients, ultrasound-guided fracture reduction

### Other Contributions to EM:

- Developed Pelvic ultrasound instructional CD-ROM

### Honors / Awards:

- UCSF Fresno Faculty Research Award (2006)
- Outstanding Faculty Teacher award (2004)
- Teacher of the Year, Medical Student award (2003)
- Texas Tech EM Faculty Teacher award (2001, 2002)

Hobbies: Chess, poker, all University of Arizona sports (ASU grads are welcome in our program, but will be subject to occasional good-natured jabs), and playing with my 7- and 4-year-old children.

### **Publications:**

Chinnock B, Afarian H, Minnigan H, Butler J, Hendey G: Physician Clinical Impression Does Not Rule Out Spontaneous Bacterial Peritonitis in Patients Undergoing Emergency Department Paracentesis. *Ann Emerg Med*. 2008 Apr 21. [Epub ahead of print]

Chinnock B, Hendey G: *The authors' reply* to Comments on "Can clear ascitic fluid appearance rule out spontaneous bacterial peritonitis?" by Chinnock and Hendey. *American Journal of Emergency Medicine* 2008;26:624.
