**STATE PRIVACY NOTIFICATION**

The State of California Information Practices of 1977 (effective July 1, 1978) requires the University to provide the following information to individuals who are asked to supply information about themselves: The principle purposes for requesting information on this form is to acquire authorization for payroll earnings distribution to a financial institution of the individual’s choosing or to the individuals work address. University policy authorizes the maintenance of this information. Furnishing all information on this form is mandatory – failure to provide such information will delay or may even prevent completion of the action for which the form is being filled out. Individuals have a right to view their own records in accordance with Staff Personnel Policy 605 and Academic Personnel Policy 160.
