## Questions and Answers

### 1. What happens to the DC Plan contributions deducted from my pay?

Your contributions to your DC Plan account are automatically invested in the UC Savings Fund, one of a group of "Core Funds" selected and monitored by the UC Office of the Treasurer. You may direct contributions to any of these Core Funds or other investment options. Refer to the following section which provides instructions on how you can get more information.

If you have any questions concerning your DC Plan account, you should call Fidelity Retirement Services<sup>SM</sup> toll-free at 1-866-682-7787, Monday through Friday (excluding New York Stock Exchange holidays), 5 a.m. to 9 p.m. Pacific time, to speak with a Retirement Services Specialist. ### 3. When can I receive my DC Plan money?

The Internal Revenue Code (IRC) permits participants to take a distribution from the DC Plan Pretax Account only when they are no longer working for UC in any capacity. This rule also applies to student employees who, because of a change in their courseload, become exempt from Plan participation but are still employed by UC in any wage-earning capacity. Also, if you leave UC employment and request a distribution, but are reemployed by UC before the distribution is paid, you may become ineligible to receive the distribution.

### 4. What options do I have for my money when I leave UC employment?

If you leave UC employment, you may:

- Request a distribution to be paid directly to you;
- Arrange for a direct rollover of your money to a traditional IRA or other employer plan which accepts rollovers;
- Keep your money in the Plan if your balance is at least \$2,000; or
- Receive retirement income from the Plan, if eligible.

Participants who leave UC employment and have a balance of less than \$2,000 in the Plan cannot leave their money in the Plan. Account balances of \$1,000 or less will automatically be distributed at the end of the quarter to participants who have not provided distribution directions. Balances greater than \$1,000 but less than \$2,000 will be rolled over into an IRA in the participant's name unless the participant provides distribution directions. *It is important that you maintain your address records to assure delivery of your distribution.*

Distributions are generally taxed as ordinary income in the year they are issued and may be subject to early distribution penalties if they are taken before age 59½. For more information about the tax treatment and potential penalties of Plan distributions, contact Fidelity Retirement Services online at [www.netbenefits.com](http://www.netbenefits.com) or call the toll-free number: **1-866-682-7787**. Fidelity Retirement Services representatives are available Monday through Friday, from 5 a.m. to 9 p.m. Pacific time.

### 5. What happens to my DC Plan account if I die before I retire or leave UC employment?

If you die before you retire or leave UC employment, your DC Plan balance will be payable in a lump sum to your beneficiary. Your beneficiary may be a person, trustee or organization. You may also name more than one beneficiary and specify the percentage of your accumulations that each beneficiary is to receive.

### 6. How do I designate a beneficiary for my DC Plan account?

Participants in the University of California Defined Contribution Plan can designate beneficiaries using Fidelity Retirement Services's online service, at [www.netbenefits.com](http://www.netbenefits.com). Select *Beneficiaries* under *Your Profile* and follow the simple instructions provided.

## 7. What happens to my DC Plan account if I don't designate a beneficiary?

If you don't designate a beneficiary, or if your beneficiary dies before you do, your account will be paid to your survivors in the following order of succession:

- Surviving legal spouse or surviving domestic partner; or, if none,
- Surviving children, natural or adopted, on an equal-share basis (children of a deceased child share their parent's benefit); or, if none,
- Surviving parents on an equal-share basis; or if none,
- Brothers and sisters on an equal-share basis; or, if none,
- Your estate.

The taxable portion of your withdrawal that is eligible for rollover into an individual retirement account (IRA) or another employer's retirement plan is subject to 20% mandatory federal income tax withholding, unless it is directly rolled over to an IRA or another employer plan. (You may owe more or less when you file your income taxes.) If you are under age 59½, the taxable portion of your withdrawal is also subject to a 10% early withdrawal penalty, unless you qualify for an exception to this rule.
