POLICY: Fresno House Authorization

Policy:
Use of the Fresno House requires electronic approval from the UCSF Fresno Graduate Medical Education Office (GME) and is restricted to members of the UCSF Fresno Medical Education Program. Priority is given to 1) housestaff, 2) faculty, and 3) staff. No guests or family members may stay in the Fresno House at any time. By receiving approval to utilize the Fresno House all individuals agree to abide by the published “House Rules” as described within this policy. The Fresno House is a non-smoking facility and no pets are allowed. Excessive noise or activity is prohibited. Failure to adhere to the “House Rules” may result in restriction from future use of the facility.

Purpose:
The Fresno House is a leased residential home, in San Francisco, see Street Map, within this policy. The Fresno House is located near the UCSF Parnassus Campus. It can accommodate up to (9) nine persons at any one time. The Fresno House is provided, and intended, as a convenient place for UCSF Fresno housestaff, faculty, and staff members to stay during approved educational training activities (rotations, and educational conferences/meetings or other official UCSF Fresno business).

The UCSF Fresno GME Office is responsible for authorizing use of the Fresno House and for controlling keys. Priority reservations will be given to UCSF Fresno housestaff rotating to or taking required courses at facilities in the San Francisco area.

Procedure:
1. Reservations for the Fresno House can be made by electronically completing the application form (located on the GME intranet), securing all required signatures (i.e. site director and program director) and submitting the application at least forty five (45) days prior to the requested dates, email the GME office at: group-ome@fresno.ucsf.edu. (The Fresno House schedule can be found on the GME intranet: (http://www.fresno.ucsf.edu/housestaffportal/fresnohousecal.html).

2. If approved, the GME Office will notify the program and the individual resident within 10 days of receiving the request. The Fresno House keys, maps, directions and house rules must be picked up from the GME Office prior to the rotation or course in San Francisco. Office hours are 8 am to 5 pm, Monday through Friday, unless other arrangements have been made.

3. As noted, priority for use of the Fresno House is given to housestaff. The following will occur in case of scheduling conflicts:
   a) In the event a housestaff requires use of the Fresno House for a rotation or other required educational activity subsequent to reservations by a non-resident, notification will be made to that individual by the GME Office as far in advance as possible.
   b) In the event of the GME Office receiving reservation requests for required rotations for more occupants than is allowed, priority will be given based upon the date the application was received by the GME office.

4. Responsibility of the housestaff upon returning to Fresno: the Fresno House keys must be promptly returned to the GME Office. Failure to return keys in a timely manner will result in notification to the individual’s Program Director, and possible restriction of further use of the Fresno House. There is a $25 fee for keys that are lost or not returned to the GME office.

5. Some San Francisco UC Department services will require housestaff to pay a $25.00 fee for a UCSF badge. This expense is non-refundable.
IMPORTANT INFORMATION FOR RESIDENT PARKING: Parking is free at Parnassus from 4:45 am – 9 am for housestaff on night rotations. UCSF Fresno will not reimburse expenses for parking at any time.
