The UCSF Fresno Caruthers High School Doctors Academy will celebrate its third graduating class Tuesday from 5:30 to 7 p.m. at the Caruthers High School gymnasium.

The 2012 graduating class consists of 18 students. Thirteen will attend four-year universities; four will attend community colleges. One student enlisted in the U.S. Navy.

During the ceremony, the "UCSF School of Dentistry Pre-Dental Scholars Award" will be presented to a Doctors Academy graduate. The award offers Doctors Academy students special consideration for the UCSF School of Dentistry upon completion of undergraduate course work and admissions requirements.

Caruthers Doctors Academy students will receive scholarships from local community sponsors including Caruthers Raisin Packing, Gurdev Singh Gill Memorial, Kiwanis Club of Caruthers and United Security Bank.

The Doctors Academy is an academic preparation program sponsored by the University of California, San Francisco Fresno Latino Center for Medical Education and Research. The program seeks to encourage and prepare students for careers in health and medicine.

Two rural Doctors Academy locations were established in 2007 at Caruthers High and Selma High.
