Junior Doctors Academy and Doctors Academy

Looking for motivated students interested in a UNIQUE Academic Counseling Internship with the Junior Doctors Academy (Middle School) or Doctors Academy (High School)

Selection Criteria:
1. Complete an application.
2. Able to complete a minimum of 200 hours throughout the semester.
3. Provide a recent resume and one letter of recommendation.
4. Participate in an interview process prior to being selected.
5. Upon selection, fingerprint clearance and TB test must be completed as per school district, and sign a Scope of Work Agreement which outlines the internship experience and expectations.

Selected Student Intern:
1. Will receive Orientation on Scope of Work before attending assigned school site.
2. Will receive a College Counseling Resource Binder.
3. Will have the opportunity to work directly with school site counselors and staff.
4. Will have the opportunity to offer Academic Workshops to students, parents and staff.
5. Will have the opportunity to implement and initiate academic interventions to improve student success and achievement.
6. Will receive a STIPEND.
