Web Sites

*Alzheimer's disease and Down syndrome: dual diagnosis.*
Explains the genetic link, diagnosis, assessment, and treatment.

*Alzheimer's disease and people with mental retardation.*
The ARC.
This Web page Q&A answers questions about Alzheimer's disease in people with developmental disabilities, with a particular focus on Alzheimer's and Down syndrome.

*Alzheimer's Disease International's fact sheet on dementia and intellectual disabilities.*
Risk factors, numbers of people affected, signs, diagnosis, principles of care, and resources are covered in this fact sheet. Versions are available in English, Spanish, German, Chinese, Japanese, and Hebrew.
http://www.alz.co.uk/adi/publications.html

*National Down Syndrome Society (NDSS).*
The society provides a Web page to help link persons with Down syndrome to information and resources in the community. Available online, search “alzheimer’s”
http://www.ndss.org

*My Thinker’s Not Working.*
A national strategy for enabling adults with intellectual disabilities affected by dementia to remain in their community and receive quality supports. The plan, developed by the National Task Group on Intellectual Disabilities and Dementia Practices presents findings and recommendations on the impact of Alzheimer’s. It includes an overview of the population, challenges facing them, community services, education and training, financing, and possible solutions. It also provides an action plan for national, state, and local agencies and recommends a specific assessment tool for recognizing dementia in this special population.
