

Dear OMFS Externship Applicant:

Community Regional Medical Centers in Fresno, California is an extremely busy Level I trauma center in the “Central Valley” of California. The UCSF-Fresno OMFS program at the CRMC – Ambulatory Care Center is currently accepting applications for clerkship/externship. Externs will be expected to function in the same capacity as in intern by attending daily rounds, daily clinic, on-call, scrubbing into daily OR cases, and attending all conferences and seminars. The candidate should be interested in pursuing a career in OMFS.
