Time has been set aside for medical student orientation. During this time, we provide general information about housing, Community Regional Medical Center and the UCSF Fresno Medical and Education Research Center. Upon completion of general orientation, you will report to your clerkship where you will be oriented to clerkship specifics, schedules and other pertinent information – unless otherwise instructed. Students *may* be scheduled for EPIC computer training during the first week in Fresno and information regarding EPIC training and where to report will be sent to you in a Welcome email.

All departments are aware that you are participating in general orientation and do not expect to see you until around 10:00 that morning or as instructed. Please relax and remember that we are here to make your stay as comfortable and educational as possible. PLEASE BE SURE TO READ YOUR WELCOME TO FRESNO EMAIL.
