- Turn right on Howard Street and you may park in the 'Visitor Staff Parking Lot' without a permit.

On day one of your rotation, time has been set aside from 8am to 9:30am for orientation for medical students. During this time, we provide general information about housing, Community Regional Medical Center, University Medical Center and the UCSF Fresno Medical and Education Research Center. Upon completion of general orientation, you will report to your clerkship where you will be oriented to clerkship specifics, schedules and other pertinent information.

All departments are aware that you are participating in general orientation the first morning of your rotation and do not expect to see you until 10am that morning. Please relax and remember that we are here to make your stay as comfortable and educational as possible.
