TBS SERVICES

Therapeutic Behavioral Services (TBS) helps children and young people receiving EPSDT services who:

- have severe emotional problems,
- live in a group home or residential facility or are at risk for placement in one of these living situations, or
- have been hospitalized recently for mental health problems.

If TBS is needed, the TBS staff person works very intensely with the young person and their family for a short period of time. TBS may help youth and their families learn new ways of controlling problem behavior. These services are provided in the home or group home. For information, call 1-800-453-8912.
