Genetic Testing 2020: A Practical Guide for Clinicians

**Tuesday, July 7th
12:30 PM – 1:30 PM**

Zoom teleconference ONLY
<https://ucsf.zoom.us/j/99989202668>
Meeting ID: 999 8920 2668

Learning Objectives:

Understand the types of patients who should have genetic testing as well as a logical strategy for choosing tests

Understand the appropriate testing options for suspected Marfan Syndrome and Ehlers Danlos Syndrome(s)

Understand the types of results to be anticipated with Whole Exome Sequencing; negative; positive; variants of unknown significance

Speaker: Cynthia J. Curry, MD

Activity Directors: Joseph Shen, MD, PhD, Chokechai Rongkavilit, MD and Thianchai Bunnalai, MD; and Activity Planner: Linda Smith have no relevant financial relationships to disclose.

Cynthia J. Curry, MD
Professor of Pediatrics, Emerita, UCSF
Adjunct Professor of Pediatrics,
Stanford Genetic Medicine

Target Audience: Physicians, residents, nursing, APP's, AHP's, and medical students.

The Community Medical Centers is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

Community Medical Centers designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Any Protected Healthcare Information (PHI) discussed in this meeting is intended for learning purposes only and is not to be discussed outside of the conference.
